PROFESSIONAL SUMMARY

Highly skilled and motivated web developer with a strong foundation in web technologies and a particular expertise in Django. Recently graduated with a degree in Computer Science from University of Sargodha, I possess a comprehensive understanding of both front-end and back-end development processes. My passion for creating efficient, user-friendly web applications is demonstrated through various projects and internships where I have successfully contributed to the development and deployment of scalable web solutions. I am eager to bring my technical skills, creativity, and enthusiasm to a dynamic team focused on innovative web development.

EXPERIENCE

Front End Web Developer

2023 - 2024

Code Nativex, Pakistan, Sargodha

I worked as a Front End Web developer in Code Nativex on remote Basis to get the hands On experience and get into real Time Projects.
